

## ***A Note from the Presbytery Leader***

Hello Everyone and a Happy Springtime to Each of You!

As sunshine bursts forth from the sky and temperatures continue to rise, beautiful spring days slowly give way to the coming summertime adventures. I applaud our amazing committee members for keeping their focus and getting so much work done as the beautiful weather beckons us all to enjoy the outdoor splendor.

As you probably know, the *Lifelines* workshops are well underway and have opened the door to some fantastic conversations with our churches. A very special 'thank-you' to all of our host congregations for their hospitality and to all of the participants who made these discussions possible. For those of you who have not had a chance to participate yet, there are two workshops left in this series that will focus on possible futures of our congregations. If you haven't already registered, please be sure to do so as soon as possible: we will be meeting in Sodus on Wednesday, May 24<sup>th</sup> and in Horseheads on Saturday, June 3<sup>rd</sup>. Additional information can be found on the presbytery website ([www.presbyteryofgeneva.org](http://www.presbyteryofgeneva.org)).

Just a quick reminder to those congregations who change their worship times during the summer months: please check the church directory on the presbytery website to make sure the time change is noted there. I'll be continuing to visit congregations throughout the summer and want to make sure the information is correct so I don't miss out on the opportunity to worship together. If there are any updates needed, please reach out to any staff member so we can make those changes.

As we embark on our summer adventures, please keep an eye on the presbytery newsletters for announcements about additional programming coming this fall. Thanks again to all those who have shared their ideas and offered host facilities for future workshops – we hope you will participate!

May God continue to bless our ministry efforts as we all make time to relax and enjoy the changing seasons in our gorgeous presbytery.

In Service to Christ,

Marji Ackerman

Presbytery Leader
