Bold in Faith, Transformative in Mission, United in Christ  
(Isaiah 30:21)**

*As the church navigates an era of profound transformation, the Synod of the Northeast continues to ask: What is the purpose of the Synod? How are we called, as a corporate body, to respond to the changing needs of the church and society? These questions are at the heart of the Phase III Report – Reimagining the Church in the World, an ongoing process of discernment that seeks to clarify our shared mission and vision for the future.*

**To engage the wider Synod community in this work  
we are hosting a Townhall Zoom Meeting  
on May 22 at 7:00 p.m. & June 3 at 10:30 a.m.  
This gathering will provide an opportunity to:**
