

Committee on Representation Report

Greetings Beloved people of the Presbytery of Geneva! We in COR are actively seeking to find who will be serving as our Synod Assembly Commissioners! We are moving into a new structure with the Synod & so have the opportunity to have 3 people serve in this way (1 Young Adult, 1 Ruling Elder, 1 Teaching Elder). Also on our mind & in our spirits is discerning (& inviting to discern) who God is calling to serve our Presbytery as a Vice Moderator in the coming year. And we (like us all!) hold our Presbytery in prayer as we discern structures which best serve us & then working to transition well from one structure into another which will help us in the season we find ourselves in. Please y'all – keep on praying & thinking about the ways God is inviting you to share your gifts with the Presbytery (and all of creation!) We praise God for the gifts of each of you (knowing all y'all are gifts!). And look forward to how the Spirit will continue to move in us & through us! (And y'all – don't forget to consider both a holy “yes” & a holy “no” – as we look forward to being in prayer with you regarding how to serve!)

We might (& pray to) have some names to vote on in person in our coming Presbytery meeting.
